

GENERAL HUNTING REGULATIONS

The following are brief summaries of some of the hunting regulations that apply to the purchase and use of licences obtained through a draw. A more comprehensive summary is presented in the *2024 Alberta Guide to Hunting Regulations*. It is available free-of-charge at licence issuers and Fish and Wildlife offices and online at albertaregulations.ca starting in July. Obtain a copy and read it prior to using any licence.

WILDLIFE CERTIFICATE & LICENCES

A person must possess the applicable hunting licence in order to hunt big game or game birds. The hunter must carry the licence and applicable tag(s) on his or her person while hunting. A person is required to obtain a Wildlife Certificate prior to applying on the draws.

Resident – a person who either

- has his or her only or primary residence in Alberta and
 - 1) is a Canadian citizen or is admitted to permanent residence in Canada, or

OUTFITTING AND GUIDING REQUIREMENTS FOR NON-RESIDENTS (CANADIAN) (see Definitions on page 42)

Big Game

Due to the fact that only Resident and Non-resident (Canadian) hunters are eligible to apply for special licence draws, only the outfitting and guiding requirements of Non-residents (Canadian) are presented here. [Note: there are further restrictions for Non-resident Alien hunters that hunt with a Hunter Host. Those restrictions are outlined in the *2024 Alberta Guide to Hunting Regulations* (available in July) and can be viewed online at mywildalberta.ca or albertaregulations.ca.

A non-resident (Canadian) hunter of big game, wolf and coyote has two options:

- they may contract the holder of a valid Outfitter-guide Permit, be guided by a Designated Big Game Guide and hunt under the authority of a licence allocated to the outfitter-guide, or
- they may be accompanied by Hunter Host (see below) – usually a relative or friend – under the authority of a special licence obtained through the draw or a non-draw licence for which they are eligible.

A Hunter Host

- must be an adult resident, hold a WiN and be eligible to hold recreational hunting licences.
- must be the holder of a Hunter Host Licence (see below).
- **may not provide services for gain or reward, or accept remuneration, directly or indirectly, for such services.**
- may accompany a maximum of two (2) hunters/year, either Non-residents (Canadian), Non-resident Aliens or a combination thereof. Only one (1) of the Non-resident Alien hunters may be a non-relative.
- must accompany the hunter(s) named on the Hunter Host Licence while hunters are hunting big game under the authority of the Hunter Host Licence.

Hunter Host Licence

- A resident who wishes to accompany a Non-resident (Canadian) as a Hunter Host may purchase the Hunter Host Licence at any private licence issuer.
- You must have the WiN(s) of the Non-resident(s) at the time of purchase. You **must** ensure that the hunters you accompany are named on your Hunter Host Licence. If you purchase your Hunter Host Licence naming one hunter and you decide to add a second hunter to your licence at a later date, you can do so at no additional charge. Return to a private licence issuer with your licence and have it amended.
- Once you have purchased your Hunter Host Licence, the Non-resident(s) (Canadian) may purchase their licences.

NON-DRAW LICENCE SEASONS

The following tables list the seasons available to hunters using licences not acquired through a draw (licences that are purchased “over the counter” or online with a valid WiN and Wildlife Certificate).

Archery-only Seasons are those where only a bow and arrow may be used to hunt. Cross-bows may be used in the archery-only seasons by holders of Cross-bow Licences issued to eligible handicapped persons. The archery-only seasons usually precede general seasons. WMUs 212, 248 and 410 are archery-only seasons and do not have a general season.

General Seasons are those where either a firearm, cross-bow or a bow and arrow may be used.

This information is being provided to help hunters plan their hunting trips. Before applying on a draw, a hunter may want to know what non-draw licence seasons are available.
