

# MINISTER'S SPECIAL LICENCE DRAWS

Each year, the Government of Alberta provides Minister's Special Licence tags for select game species to be auctioned or to be allocated through draws to raise money for wildlife conservation and stewardship in Alberta. Minister's Special Licences are valid from August 25 to August 24 of the following year, across the province where a hunting season for the respective species occurs (all current hunting related wildlife regulations still apply). See the Conditions of Licence documents at [mywildalberta.ca](http://mywildalberta.ca) for specific conditions for each species.

This licence does not authorize hunting in any location where hunting is prohibited and it does not preclude the need to obtain permission to access private land. This licence does not authorize hunting on Sundays in Wildlife Management Units where Sunday hunting is prohibited; WMUs 102-160.
