

PURCHASING A LICENCE

Aspira manages the sale of all recreational hunting and fishing licences in Alberta. Licences are sold through private licence issuers or online at Albertarelm.com.

Albertarelm.com is a website for hunters and anglers. By registering on the site individuals can purchase their licences.

Costs of licences are the same online or at an issuer, no service fees are added. Cost will vary according to the type of licence.

For Online Purchases:

To purchase an online licence you will need a valid credit card, an email address, access to a computer with an internet connection and a printer to print your licences.

Download the AlbertaRelm APP and easily store your licences and WiN card electronically. Please remember that the onus remains on the hunter to be able to produce their licence, whether electronic or paper, and associated paper tags when requested by an officer during field compliance checks.

To purchase a licence, which requires tags online, you must have a pre-numbered tag(s) before you begin your purchase process. Tags are available by calling 1-888-944-5494 and at Licence Issuers

LICENCE REQUIREMENTS

Wildlife Identification Number (WiN)

Hunters and anglers in Alberta must have a 10-digit Wildlife Identification Number (WiN) to apply for draws, purchase wildlife certificates, licences and replacements. Please keep your information up to date; address changes can be made online or at an issuer.

Wildlife Certificate

Hunters must possess a valid Wildlife Certificate and the applicable hunting licence to hunt big game or game birds. Licences whether electronic or paper and applicable tags must be carried on their person while hunting.

Licensing requirements for first-time hunters

NOTE: All new first-time hunters who have qualified for obtaining recreational hunting licences by successfully completing the Alberta Conservation and Hunter education course, will be required to provide on their WiN profile, their hunter certificate number that is issued to each course graduate, in order to be eligible to purchase a hunting licence.

A first-time hunter is a hunter who 1) has not previously held a hunting licence in Alberta or elsewhere, or 2) has not prior to April 1, 2010, met Alberta first-time hunter criteria, or 3) has not successfully completed a hunter education course in Alberta or elsewhere.

Non-resident and non-resident alien hunters (12 years of age, 10 years of age for game bird, or older) are exempt from the first-time hunter eligibility requirement if they are accompanied by a Hunter Host or a Designated Guide while hunting in Alberta.

Youth first-time hunters must be *at least 12 years old* (10 years of age for game bird) to hunt under the authority of any hunting licence in Alberta. All hunters *under the age of 16 years* must have written permission from a parent or guardian to purchase hunting licences. Hunters who are *11 years old* may apply in the draws for licences if they meet the above criteria, but they must be 12 years old anytime before or during the open season for that draw. They may not hunt until they are *12 years old*. To hunt with a firearm, hunters *under 18 years of age* must be accompanied by a parent, a legal guardian or by a person 18 years of age or older who has the written permission of the parent or legal guardian. If a youth turns 18 during the hunting season, they can continue to hunt using their valid licence.

If you are interested in taking the Alberta Conservation and Hunter Education course, call the Alberta Hunter Education Instructors' Association toll-free in Alberta at 1-866-852-4342, Edmonton 780-466-6682, or Calgary 403-252-8474.

Resident Youth Hunting Licences

Subject to the age limitations and conditions above, a resident 10 to 17 years of age may purchase a Resident Youth Wildlife Certificate, including a Game Bird Licence, for \$12.00. The holder of a valid Resident Youth Wildlife Certificate between 12 and 17 who has not yet attained the age of 18 years may also purchase a Youth White-tailed Deer Licence and a Youth Mule Deer Licence, each for \$12.00. **These licences are valid during the seasons that do not require one of the Special Licences obtained through a draw.** This person may also purchase an Antlerless Mule Deer Special Licence (available through a draw, see Draws for Special Licences, below) for \$12.00. Partner Licences are also available to resident youths if designated by the holder of any special licence. See this page.

Resident Senior Hunting Licences

A resident who is 65 years of age or older, at the time of acquiring the following licences may purchase a Resident Youth/Senior Wildlife Certificate, including a Game Bird Licence, for \$12.00. The holder of a valid Resident Youth/Senior Wildlife Certificate may also purchase a Youth/Senior White-tailed Deer Licence for \$12.00. These licences are only valid during the seasons that do not require one of the special licences obtained through a draw. Partner Licences are also available to resident seniors if designated by the holder of any special licence.

Hunters with Disabilities

Eligible individuals may obtain a special permit or licence relating to off-highway vehicle (OHV) use, discharging a weapon from an OHV and cross-bow use during archery-only seasons. Service improvements have been made for those medically certified with permanent injuries allowing renewal of all permits online at albertarelm.com. Contact a Fish and Wildlife office (page 13) for more information or online at mywildalberta.ca.

Mandatory Suspended Hunter Requirements

A person whose right to hold a recreational hunting licence has been suspended in Alberta as a result of a conviction is required to complete the Alberta Conservation and Hunter Education course available at Alberta Hunter Education Instructors Association (AHEIA), either online or in person. This course must be taken after the beginning of the suspension period. The course is intended to increase outdoor safety, awareness, skills and efficiency and to develop responsible attitudes in the field. Individuals can contact AHEIA for information on completing the course. Participants will be responsible for course and material costs.

Licence Suspensions for Unpaid Fines

If a person is convicted of a provincial fishing or hunting offence and fails to pay their fine on or before the fine due date, they will be suspended from purchasing or using a sportfishing licence, a hunting licence or applying on draws until that outstanding fine has been paid.

Draws for Special Licences

When demand exceeds the number of hunting opportunities, season length and bag limits are often insufficient to conserve a game resource or to ensure a quality hunting experience. In such cases, Fish and Wildlife conducts lotteries or draws among eligible applicants for a limited number of special licences. Special licences allow successful applicants to hunt a specific type of game (e.g., antlerless elk) in defined areas during a specified season.

Only residents and, to a lesser extent, non-residents (Canadian) are eligible to apply in these draws. A non-refundable \$3.65 (plus GST) levy is charged for each application or group of applicants (maximum of four) for the same draw. This levy goes to the Alberta Conservation Association for programs. Although draws are used for specific wildlife management purposes (e.g., the goal in draw areas is to develop a more balanced age structure), other benefits include improved hunter success, increased opportunity to harvest a trophy animal, a more pleasant hunting experience with lower hunter densities, reduced disturbance of landowners, and a better distribution of the harvest.

Holders of a Special Licence are required to report their harvest and effort by February 15, 2025 for all Special Licences they purchased. Failure to report will result in a \$15.00 survey fee being charged before they can purchase a Wildlife Certificate and participate in the Special Licence draw process.

Draw Application Deadline Dates — Hunters interested in special licence hunts for fall 2024 must have applied by June 24. Refer to the *2024 Alberta Hunting Draws* booklet for more information on draws. Undersubscribed Licences are special licences leftover following the draw. These opportunities go on sale July 14 – visit albertarelm.com for more information.

Draw Results — Beginning July 13, draw results are available online at albertarelm.com.

Landowner Special Licence

A person who qualifies may be eligible to obtain a special licence after having been unsuccessful in some draws. Availability of Landowner Special Licences may be limited or not available at all for some species in certain WMUs. Those available will be issued to eligible persons on a first-come, first-served basis. For details on eligibility and the application process, please consult the *2024 Alberta Hunting Draws* booklet.

Partner Licence

The following Partner Licences are available:

1. A resident holder of an **Antlerless Moose** Special Licence has the option of designating one eligible resident hunter (adult, youth or senior) to be a partner on the Special Licence, thereby allowing the designated hunter to obtain a Special Antlerless Moose Partner Licence.
2. A resident holder of an **Antlered Moose** Special Licence has the option of designating one eligible hunter, either a resident (adult, youth or senior) or a non-resident (Canadian) (adult, youth or senior), to be a partner on the Special Licence, thereby allowing the designated hunter to obtain a Special Antlered Moose Partner Licence. To qualify for a Partner Licence in a particular WMU, the non-resident (Canadian) must have been eligible to apply for the Special Licence in that WMU.
A non-resident (Canadian) holder of an Antlered Moose Special Licence obtained through the draw process has the option of designating one eligible resident (adult, youth or senior) hunter to be a partner on the Special Licence, thereby allowing the designated hunter to obtain a Special Antlered Moose Partner Licence.
3. Resident hunters successful in drawing a Special Licence in any of the other Draws may designate one eligible resident youth (12 to 17 years of age) or senior (65 years of age and over) to be a partner on their Special Licence.

Rules for all Partners – A designated partner does not need any priority to qualify for a partner licence, does not need to have applied on the draw, and the purchase of the partner licence will not affect any existing priority of the partner. The intended partner must be eligible to hold a hunting licence. Refer to pages 19-23 regarding licence combinations and restrictions. The primary licensee may designate a partner at any time until the end of the season for which the Special Licence is valid. The designated partner hunts under the authority of the special licence and must be in direct communication (not including the use of any electronic devices) with the primary special licence holder while hunting to ensure that both stop hunting once the tag(s) are filled. The two hunters hunt as one.

The primary licensee must carry the tag(s) issued with the special licence and must tag the animal as soon as there is a kill. The primary licensee may hunt without the partner, but not vice versa.

To Designate a Partner – The Partner Licence is available online at albertarelm.com or at any licence issuer. The intended partner must provide the number of the Special Licence held by the primary hunter along with his or her own WiN. The Special Licence number authorizes the licensing system to issue a partner licence that is linked to the Special Licence. The intended partner may then purchase a Wildlife Certificate and the appropriate Partner Licence. If the intended partner is a non-resident, he/she must be accompanied by a licensed Hunter Host while hunting. The Partner Licence is valid for the same WMU and season as the Special Licence. No tag is issued with the Partner Licence.

Outfitting and Guiding Requirements for Non-residents (Canadian) and Non-resident Aliens

There is no requirement for non-resident (Canadian) and non-resident alien game bird hunters to contract their **game bird** hunts through a Bird Game Outfitter. They may hunt game birds without an outfitter, a guide or Hunter Host.

In this section, the term “accompany” or “accompanied” means that the persons involved are close enough to each other to easily facilitate verbal communications without the need for electronic devices. **It is acceptable, however, for the hunter to be placed in a stand location by the guide or hunter host, if they remain at that same location to be picked up later the same day.**

Non-resident (Canadian) and Non-resident Alien hunters of **big game, wolf and coyote must be accompanied by a licensed guide or a Hunter Host.** Each of these hunters has two options:

- 1) May contract the holder of a valid Big Game Outfitter Permit, be guided by a Big Game Designated Guide, and hunt under the authority of a licence allocated to an outfitter (for information on outfitters, contact the Alberta Professional Outfitters Society at apos.ab.ca), **OR**
- 2) May be hosted by a Hunter Host (see this page) – usually a relative or friend – and hunt according to the following restrictions and conditions:
 - Non-resident Aliens may hunt with any Hunter Host only if the non-resident alien has not done so in the previous two (2) fiscal years (April 1 - March 31).
 - Non-residents (Canadian) and Non-resident Aliens are limited to certain licences, as indicated in the Licence Availability sections on pages 23 and 24.
 - Non-resident Aliens hosted by Hunter Hosts may hunt big game only during seasons that do not require one of the special licences,

obtained through a draw, indicated by a ■ in the season tables on pages 45 to 56 or listed under Additional Special Licence Draw Hunts on page 58.

- A Non-resident Alien and their intended Hunter Host must apply for their licences and make a statutory declaration that they understand the terms and conditions of the licences (see Hunter Host Licence on this page). The application process can take up to 10 days to complete.
- A Non-resident Alien must not hunt bighorn sheep, cougar or trophy antelope while accompanied by a Hunter Host.
- **Further Restrictions for Non-resident Aliens Who are Not Relatives of the Hunter Host or the Hunter Host’s Spouse**
 - ▶ Relatives are defined as father, brother, son, uncle, nephew, grandfather, grandson, son-in-law, brother-in-law (and female equivalents) of the Hunter Host or spouse of the Hunter Host.
 - ▶ The Non-resident Alien and intended Hunter Host must initiate an application at a Fish and Wildlife office for their licences.
 - ▶ The Non-resident Alien may apply to hunt only two (2) species of big game and wolf/coyote.

A Hunter Host

- Must be an adult resident, and be eligible to hold recreational hunting licences.
- Must be the holder of a valid WiN and Hunter Host Licence (below).
- **May not provide services for gain or reward, or accept remuneration, directly or indirectly, for such services.**
- May host a maximum of two (2) hunters/year, either Non-residents (Canadian), Non-resident Aliens or a combination thereof. If hosting 2 Non-resident Aliens, at least 1 must be a relative.
- May host Non-resident Aliens only if the host has not hosted a Non-resident Alien in the previous two (2) fiscal years (April 1 to March 31).
- **Must report to the Fish and Wildlife office by December 31 in the year of harvest all hunting activities by the Non-resident Aliens they hosted. A report must be submitted even if the hunter doesn’t harvest an animal.**
- Must accompany the hunter(s) named on their Hunter Host Licence while they are hunting big game under the authority of the Hunter Host Licence.

Hunter Host Licence

A resident who wishes to be a Hunter Host may purchase a Hunter Host Licence online at albertarelm.com or at any licence issuer. You must have the WiN(s) of the non-resident(s) at the time of purchase. You **must** ensure that the hunters you host are named on your Hunter Host Licence. If you purchase your Hunter Host Licence naming one hunter and you decide to add a second hunter to your licence at a later date, you can do so at no additional charge. Return to albertarelm.com or to a licence issuer to have your licence amended. Once you have purchased your Hunter Host Licence, the hunters may purchase their licences.

A Hunter Host who plans to take a **non-resident alien** hunting must do the following:

1. Contact a Fish and Wildlife office (see page 13) and initiate an application (including statutory declaration). Sign and have signature sworn.
2. Have the Non-resident Alien sign the application (including statutory declaration) and have their signature sworn. If the Non-resident Alien does not have a WiN, have them complete a WiN profile online at this time.
3. Take the completed application to a Fish and Wildlife office. The application will be reviewed for final approval and keyed into the automated licensing system.
4. Once the application is approved, go online at albertarelm.com or to any licence issuer and purchase your Hunter Host Licence and the appropriate Wildlife Certificate and licences.
